

MUST USE A SHOVEL

Snow Ordinance Will be Rigidly Enforced Now.

ARRESTS WITHOUT A NOTICE

In the Order Given to Superintendent Carr-Walks Must be Cleared Before 8 O'Clock A. M.

There is to be no nonsense about the snow ordinance which was passed two weeks ago. Action was taken by the commissioners yesterday and Superintendent Carr has been instructed to arrest without notice those who do not comply with the ordinance and have their walks cleared of snow before 8 o'clock in the morning. The matter will be strictly enforced and without favor to anyone.

Marshal Lemmon reported the fire in Temple Emanuel and said it was caused by faulty construction in the heating apparatus. The damage was covered by insurance. He stated that at the next meeting of the board he would submit a plan for numbering members of the fire department and suitable insignia for the officers so that their rank can at once be seen by anyone entering the houses.

Superintendent Carr reported a number of cases of shoplifting and said he has placed men in citizens' clothes and the police station at work in the large stores when there are large crowds. Two arrests had been made.

Fred G. Dutcher and H. I. Mittleman asked for positions on the police force and William Curtis applied for a place in the fire department. Referred to committee on men and discipline.

The finance committee reported recommending the employment of two additional linemen at \$50 a month for the first year, \$60 the second year and \$71 thereafter.

The finance committee recommended payment on the following bill:

R. F. McElroy	\$14.70
Berkley & Gay	43.25
Barlow Brothers	15.50
William Miller	85.00
Foster & Stevens	12.00
E. Bazema	3.35
Harlan Page	21.00
Daily Democrat	52.25
Secretary's disbursements	394.97
Brown & Seiler	28.10
Grand Rapids Electric Light Co.	2.50
Grand Rapids Brick & Tile Co.	10.50
Gardiner & Baxter	32.60
H. E. Barkley	26.85

Commissioner Withy called up the snow ordinance and moved that the superintendent of police be instructed to rigorously enforce this ordinance and arrest without notice any persons who neglect to shovel off their walks.

Mr. Withy stated that he thought it a disgrace to the city that the walks are not cleaned better. He said it would give work to many persons and would prevent the citizens from having to wade through the slush and snow or break their legs on icy walks. The motion carried.

City News in Brief

The anniversary of the temperance crusade will be observed today by appropriate exercises in the Y. M. C. A. rooms by the W. C. T. U. The exercises will be held from 10 to 12 and from 1 to 4. The public is invited to take part.

An inventory of the stock on hand in the city is being taken. The ordinance requires that the stock be taken quarterly, but it has been neglected. A report of transactions in the store since last May will soon be made.

The new St. Cecilia club house was bonded yesterday in \$20,000. The money will be used in its completion. Enos Putman is named as trustee in the bonds. Mrs. W. S. Hull takes half the bonds.

The great rush of registered mail matter is about over for the Christmas season. Yesterday the carriers were loaded with packages and today and Monday they will have heavy loads to carry.

The children of St. Andrew's school gave a pleasant entertainment in the school hall on Sheldon street last evening. The building would not hold all who wished to attend.

OIL PEDDLERS' LICENSES

Keweenaw Wagons Require a License of Two Dollars.

Superintendent Carr has received numerous kicks from the grocers of the city against the men who deliver oil and gasoline from house to house. It is claimed by the grocers that these men should pay a license. Officer Mooney has served notices on the oil companies that they must take out licenses for their teams. The representative of Shurmer, Scofield & Teagle called in City Attorney Taylor yesterday and was told that the ordinance calls for a license fee of \$2 for oil peddlers. The ordinance does not specify whether it is \$2 for one wagon or a dozen, so that the man who has a \$2 license may run many wagons as he chooses. There are many persons in the business who have paid their licenses and the others will be looked up. The ordinance does not apply to gasoline dealers. The grocers do not kick on gasoline peddling, as they do not handle that fluid.

Orders in Verba

The firm of Cook & Cook does business in Hastings, Mich. They buy crackers in five-barrel lots of M. E. Christensen in Grand Rapids. The firm's correspondent is evidently a republican "pull the time." When an order is sent in, it is his habit to precede it with some bit of humor at the expense of democrats. Here is one of his latest:

Hastings, Mich., Dec. 19, 1933.
Says Gower to Lili:
"The cheese you shall eat."
Now we wonder if this is a joke;
But if he is bound to do it,
Then let him go through it,
And take along Lockman and Hoke.
Five barrels crackers, please.

Gave His First Entertainment.

The first entertainment of a series to be given by the Central I. O. O. F. was held last night in C. L. U. hall. The attendance was not as large as the excellent program deserved. There were about 100 persons present and they were well repaid for going out on so stormy a night. The proceeds of the concert will all be used in caring for destitute families.

Was Cruel to a Horse.

The After Effects Cured

Mr. Riger writes: "I had a bad attack of the Grippe after a time caught cold and had a second attack; it settled in my kidneys and liver, and Oh! such pain and misery in my back and legs."

The Physicians' medicine and other things that I used made no impression, and I eventually grew worse until I was a physical wreck, and given up to die.

Father bought me a bottle of Dr. Kilmer's SWAMP-ROOT, and before I had used all of the second bottle I felt better, and 10-day I am just as well as ever. A year has passed and not a trace of the Grippe is left. SWAMP-ROOT saved my life."
